Colour Canalz

Compatible with MP3, iPod® and iPhone™

Maxell Colour Canalz

MEL is pleased to announce the brand new Colour Canalz. These colourful inner Ear Buds have been introduced to the Maxell range of Headphones as a Canal version of the successful Colour Budz. Comfortable Inner Ear Buds (Canal) with Colourful finish to Express yourself whilst listening to music. They offer great sound and are great for listening to long periods of time with their soft rubber tips.
